

Hinkley Residential Well Nitrate Study Areas

2

Summerset Road

Thompson Road

3

Lenwood Road

Hwy 58/Santa Fe Ave.

1

Water Board staff intend to complete residential well sampling to evaluate nitrate in drinking water by the end of April 2015.

The area within the Blue Box is where we have few samples. If you are a resident or owner in this area, and interested to have your well sampled with results provided, contact us by **April 14, 2015** to schedule sampling.
